

A NIGHT OUT IN THE ARCTIC

in one of our unique camps

HL  adventure

WANT TO EXPLORE?

Something out of this world?

Camping on a glacier, enjoying gourmet dinner and dancing the night way on the white tundra, that is surely once in a lifetime experience.

EXPEDITION CAMP

Provided through HL Adventure, groups have the opportunity to experience Iceland in the most exclusive way.

Bedding down for the night with extra thick mattresses, headlamps and specially designed sleeping bags, enjoying a fantastic meal and partying the night away in a lounge tent in the middle of nowhere is a unique adventure.

We also offer our unique expedition camp at our Efra-Nes farm, a hidden pearl in the countryside, surrounded by pure nature.

Meals are taken in the farm's old cow barn with wooden floors, tables, and benches. The outbuildings of the farm offer a spacious lounge and recreation area.
