THE LEADING HOTELS
OF THE WORLD

An aerial photograph of a coastal town built on a cliffside overlooking the sea at sunset. The sun is low on the horizon, casting a warm, golden glow over the water and the buildings. The town consists of numerous white, modern-style houses with flat roofs and balconies, some with swimming pools. The water is calm with gentle ripples, and a few small boats are visible. In the distance, there are more islands and a larger landmass under a hazy sky.
