At the minimum, 8th Wave will strictly observe special operating procedures that cover these **five (5) key areas**:

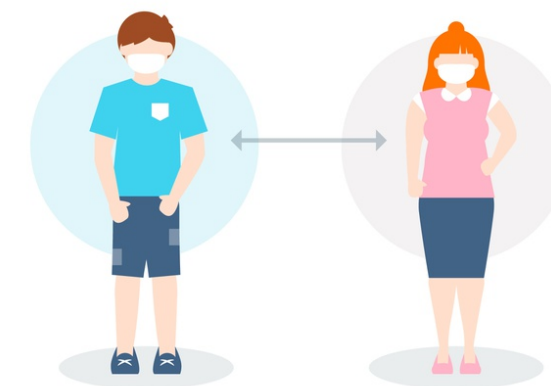

**TRAINING & COMPLIANCE**

**PROVISION OF SAFETY EQUIPMENT**

**ENHANCED SANITATION**

**SAFE DISTANCING MEASURES**

**HEALTH DECLARATION & MONITORING**

## PROVISION OF SAFETY EQUIPMENT

We will always make sure that we have enough safety equipment for all our clients/participants at all times; including, but not limited to, face masks, hand sanitisers, disinfectant wipes, and making sure they are accessible all throughout.

## ENHANCED SANITATION PROCEDURES

While we ensure our venues adhere to their own strict sanitation measures, we also set our own standards by increasing the disinfection frequency of commonly touched surfaces such as doors and luggage. Contactless technologies will also be utilised whenever possible.

## SAFE DISTANCING MEASURES

Safe distancing markers will be placed on the ground or on seats to maintain safe distancing at all times. For vehicles and indoor venues, capacity will be limited and an alternate seating arrangement might be observed.
