FACILITATING LIVE EXPERIENCES THAT REALLY MATTER

Live Events and Show Production, whether for congresses or awards shows, have their own set of unique deliverables. Typically their main purpose is to connect with an audience, motivate and inspire.

With an experienced and knowledgeable team, solid equipment and reliable supporting partners, we are able to produce large-scale events across Asia for our clients.

WHEN ENGINEERING MEETS ART, YOU GET A REMARKABLE PRODUCT

Understanding both the technical requirements necessary to deliver the quality and end product required as well as having the creative mindset to enlarge on themes and to see opportunities, set us apart.

TEAM BUILDING

MANAGEMENT AGENCY

CONNECTING MINDS & HEARTS

We organise team building activities all over Asia as a part of bigger events or as a stand alone event.

We are able to develop the entire process from venue selection to ground logistics to the type of activities needed to suit the company objectives.

Team building is a series of fun activities that energise, create opportunities to communicate and create as a team, helping to inject more energy and stimulate thinking into a conference or company. These can be themed and branded according to the company mission & vision, event tagline and learning objectives.

CORPORATE HOSPITALITY

FOR YOUR ONE-STOP HOSPITALITY MANAGEMENT

8th Wave organises client focused corporate hospitality and incentive programs like the annual Singapore F1 night race.

This includes hotel bookings, VIP airport transfers, customised dinners at premium restaurants or venues, full day cultural and adventure programs and branded gifts and souvenirs.

One client rented a super yacht to host a cocktail party prior to the F1 race, while another took part in our unique "Pit-Stop" team building activity where the teams competed against each other using real Formula cars and tools.

*"The use of travelling is to regulate imagination by reality,
and instead of thinking how things may be, **to see them as they are.**"*

SELECTED CLIENT TESTIMONIALS

"With this message, I like to take the opportunity to thank you both again for the very professional organisation of the BOSCH "Green" incentive in Kuala Lumpur, Penang and Singapore. Again - for the second time in a row, from the start up of the file and up to our goodbyes at Singapore Airport, the entire operation went smoothly."

- Anja De Haen, Team Leader MICE Belux

"We were happy with the results and the working relationship leading up to the actual day of the event. Since 8th Wave has contacts and experience in Thailand, it made sense for CNN to continue our partnership with them for the October event in the same year as 8th Wave knew the background of the event and understood the culture of CNN brand."

- Joanna Tse, Partner Solutions Group

"I wanted to thank you for all the assistance from your team un Singapore last week, we were so impressed with every member of the team and the level of service that we received was by far one of the best we have experienced."

- Katherine Brown, Senior Project Manager, Events

"On both occasions you demonstrated a deep understanding of our brands and our ways of working as well as sensitivity towards the various stakeholders involved. Both events were flawlessly prepared and executed and we had a fantastic feedback from all concerned."

- Justin E.S Weston, GM. Global Travel Retail
