Testimonials

November 2017

“From the moment we inquired about utilizing A+Solution’s services to when we arrived for venue scouting and were chauffeured from site to site in a Mercedes van, we knew we were dealing with the best DMC Barcelona has to offer. Hannelore’s courteous + prompt communication allayed any concerns we had about pulling off a fabulous event in a foreign country. Her extensive knowledge of venues + vendors allowed us to curate the perfect parties for our Client. We own an event production company in NYC and this was our first international foray—and our first time using a DMC. We wouldn’t have changed a thing about it! The flawless experience was well worth the investment. A+ Solutions, with Hannelore at the helm, is an incredible company we can’t recommend highly enough.”

“Thank you very much to the A+ solutions team for assisting us with the Conference. As you can imagine we work with many destination management companies, but your team really do stand out. Special thanks to Katia for being so attentive to detail and also helping to problem solve at last minute when we needed – she is a star and lovely to work with! I have no doubt that we will return to Barcelona in the not too distant future and no doubt that we will be in touch again. Thank you again!”

“Thanks so much Hannelore – I agree working with just a hotel would have been a much easier solution, but I am glad we did what we did as it really paid off and was reflective of the guests and the event. You really did go out of your way to provide exceptional client services and I really appreciated it. Have a lovely day and I look forward to working with you again.”

For sure, I will be more than happy to work with A+ Solutions for future meetings in Barcelona (no questions asked!). Great job and wonderful company to partner with.”

“Hi Nuria and Hannelore, I just wanted to say thank you so much for everything, it makes my job so much easier when I have support I can trust. You both were fantastic especially considering the short lead time. The guests had a fantastic time and I couldn’t have done my job properly without your support. I will make sure I recommend you to everyone in the office when looking for a DMC in Barcelona.”
