ENDLESS INSPIRATION

Recharge in our outdoor spaces. We understand that your stay at Courtyard Vilnius City Centre is more than just a trip - it's travel that propels you. Just minutes from the modern growing business district, city's historic downtown, overlooking city's landmark Gediminas' Tower and a short walk from the main local attractions, we're conveniently located near everything you want to see and do.

The Courtyard Vilnius City Center offers you the perfect balance between work and relaxation. You are able to get connected 24 hours a day with complimentary high-speed internet and well-adapted guest rooms to develop your work activities. **Mobile Key** allows you to check-in via the app, by pass the front desk and use your mobile devices to enter the rooms.

You also enjoy inviting, flexible **Media Pods** spaces where you can work or relax, **free Wi-Fi** throughout and easy access to the latest news, weather and airport conditions via our interactive information board.

Plus, our **Fitness Room** helps you stay refreshed and energized.

You are able to find everything you need to stay on task at the **24/7 market** convenience store in the lobby -

The **Market**. Our **Restaurant**, **Lobby bar**, **Summer Terrace** have healthy choices, a variety of International breakfast, lunch and dinner options, specialty beverages.

Whether traveling for business or pleasure, your stay at Courtyard Vilnius City Center is sure to be more comfortable, more productive and more enjoyable than ever before!
