THE BAR & LOUNGE

During his ownership of Cowley Manor, Sir James Horlick was well known for his extravagant parties, and it can well be imagined that he would have entertained at scale in what is today the Bar & Lounge.

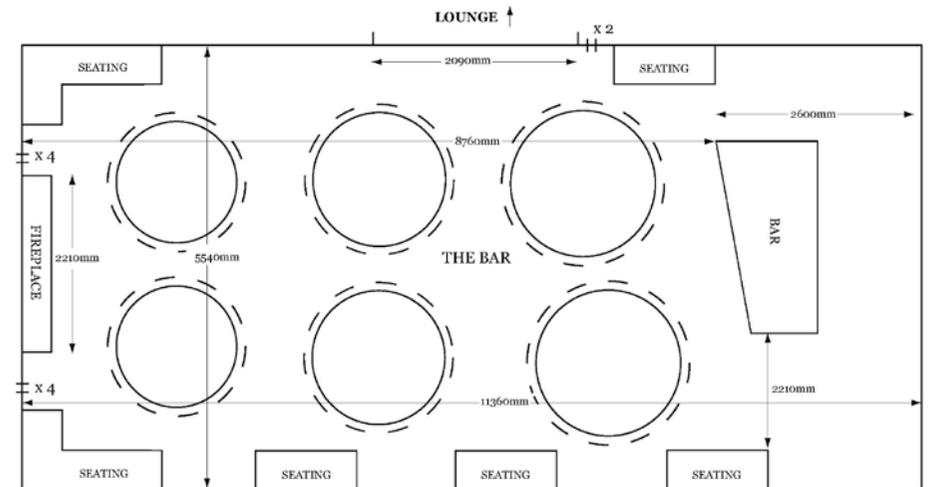

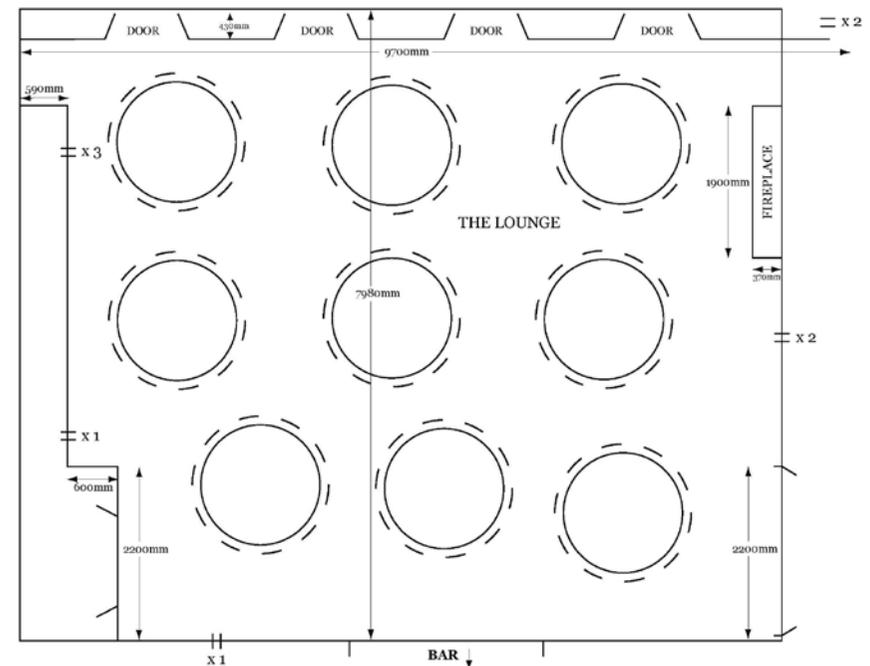

By combining both the Lounge and the Bar we are able to offer a grand space with contemporary style and views of the terrace.

Seating up to 156, it is the perfect option for a larger event when a marquee is not preferred.

The Bar can also be hired without taking Exclusive Use of Cowley, and can seat up to 66 on round tables.
