RESORTS & HOTELS

*The Art of Beautiful*

MAURITIUS - FRENCH RIVIERA

Our vocation is already in our name: Beachcomber, one who walks along the beach to discover the treasures the sea has left on the shore.

As a Mauritian company, and pioneer of the hospitality industry in Mauritius, we are aware of the gift nature has given us: to live in one of the most beautiful islands of the Indian Ocean.

We have chosen to share this gift with the world by creating a family of resorts, giving our guests the opportunity to live exceptional moments.

We believe that the beauty of our resorts is enhanced by the quality of our service and the kindness of our teams.

It is our belief: the beauty of a place inspires the beauty of the heart.

It is also our promise: to cultivate the art of beauty in all its dimensions.

Our responsibility for the gift that nature has given us is to pass it on to future generations, whilst taking care of each member of our teams. Each person is, and will remain, a true artisan of Beachcomber's very personal idea of hospitality.

*Beachcomber, The Art of Beautiful*

Where the Beauty of the place inspires the Beauty of the heart

# Why do we love Beachcomber?

## Live and sleep beautifully

Cultivating the Art of Beautiful means creating the perfect stay, one where beautiful surroundings are woven through with care and attention from our artisans. Our more than 5,000 employees demonstrate their passion for people every day through the strong bonds within our big, happy family. At Beachcomber, hospitality is a tradition that is passed down from generation to generation.

## The Art of Tasting

Taste the Art of Beautiful at Beachcomber. Our dishes are inspired by a blend of local traditions and elevated by our creative chefs. At mealtime, the beauty of each dish is complemented by care and attention from our service artisans. Therein lies the magic of Beachcomber.

## Sporty Holidays

If you enjoy being active on vacation, you'll feel right at home at Beachcomber, where we have a multitude of sports and activities for all ages. The idyllic setting of our hotels, along the shores of a sparkling lagoon, is an irresistible invitation to share in fun and excitement with friends and family.

## Kids Friendly

Memories of family vacations are some of those etched most deeply into our minds. Vacations are a time for parents to relax together while the kids discover new worlds of fun and adventure, creating memories full of dreams and freedom. Staffed by highly qualified, devoted artisans, our recreation centres are sources of delight for guests, young and old alike.

## Three Continents and One Island

There is much more to Mauritius than the sky, the sun and the sea.

It is about an exceptional culinary, cultural and human experience born from the union of three continents.

The exotic scents of a market, the street food, the monuments and places of worship and the faces whose lineage goes back to Europe, Africa and Asia – the island is an ode to beauty and uniqueness. It is a cultural cocktail, craftily put together, to create a unique and plural Mauritian identity.

You will witness this diversity as soon as you land on the island – as soon as you walk into the airport or in our hotels and it will accompany you throughout your stay – be it in your menus, your activities or your hikes.

Experience “The Mauritian Cocktail”, a delightful mix of culture and tradition with a historical twist. A blend of taste and aesthetics.

Shake it and taste it. Simply unforgettable!

## Côte d'Azur: The blue crush

Blue as the Mediterranean Sea which embraces the coast, blue as the azure sky more than 300 days a year.

Blue as the luxurious marinas. Antibes Juan-les-Pins, Nice, Monaco and Cannes - so many dream places bathed by the azure blue firmament, where history, culture, music and heritage blend to make you discover, one of the most dazzling and famous regions of France.

It is no coincidence that filmmaker Jean Cocteau fell in love with this place. Get ready to immortalise a jazz festival or the Picasso museum at Antibes Juan-les-Pins, a town set in the heart of the French Riviera.

Nice is another jewel in this part of France with its famous "Promenade des Anglais" - once the Greeks' Nikaia.

At last, set off for Monaco and Cannes, where a visual and artistic festival awaits you!

If you wish to hone your skills, the hotel has its own Golf Academy!

And guess what? Paradis shares its golf course with Dinarobin. It's like a tee for two!

The selection of Golf Suites and Golf Rooms available come with such benefits as a complimentary daily green fee and a golf cart. A golf package is also available for other categories of accommodation.

For an expanded golf experience, guests staying at Beachcomber golf resorts also enjoy privileged access to other championship courses on the island, including our partner, Mont Choisy Le Golf, the only golf course in the North.

## History and Hospitality

Off to the north of the island, to a historic place, to discover the Canonnier Beachcomber Golf Resort & Spa.

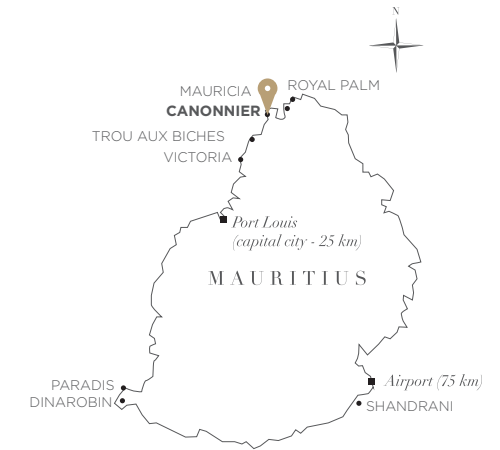

The canons are silent. If you are seeking peace and relaxation, this is the place to be.

The hotel opens up to the other isles off the north coast of the island and if you look inland, the hotel is only five kilometres away from the famous seaside resort of Grand Bay.
