ROOMS & SUITES

150 exclusive rooms and suites with a unique view offer our guests a home away from home. Several classic double rooms of 30 m² and larger, the generously dimensioned 40 m² Grand Deluxe rooms, and the Penthouse, Opera and Bristol Suites all have a magnificent view of the Vienna State Opera. To meet the needs of families, the Opera suites can be combined to create 180 m² of space with up to four bedrooms. Couples in love can enjoy pure romance in one of the spacious 64 m² Tower suites with a terrace. The 360 m² Prince of Wales Suite, furnished with precious antiques and featuring a wrap-around balcony, is the centrepiece and most luxurious premium accommodation in the hotel.

CUISINE & SERVICE

The Bristol Lounge offers all-day dining and enchants guests with its stylish elegance and tasteful décor; in cold weather a fire crackles in

the large fireplace. In this lavish atmosphere, travellers and visitors to Vienna feel sumptuously relaxed and secluded. Enjoy superb hospitality over a leisurely breakfast, lunch, afternoon tea or dinner; let us treat you to the culinary delicacies that Richard Strauss, Gustav Mahler and Enrico Caruso also enjoyed. The list of famous guests at the hotel and the oldest American Bar in Vienna is as long and as legendary as its drinks.

LOCATION & SIGHTS

Vienna is a city worth living in, offering a unique mix of deep-rooted culture, tradition and history. At the same time, the heartbeat of the city is a modern metropolis which, thanks to its many parks and its proximity to vineyards and the Vienna Woods, offers an unparalleled array of leisure activities and a healthy lifestyle. A visit to the opera, a concert, the theatre, a heuriger wine tavern or an extended shopping spree – on all these, you will encounter the charm of Vienna, no matter what your plans are.

MEETINGS & BANQUETS

The banquet rooms enjoy city-wide renown and offer maximum flexibility for events of all kinds. The Garden Floor – the hotel’s event floor – is a felicitous combination of state-of-the-art technology and sophisticated design. It owes its grandiose design to the master of style and subtlety from Paris, Pierre-Yves Rochon. The Burggarten, Belvedere and Schönbrunn Salons add their own special flair to any event. Whether you have a group of just ten people or a large reception for up to 200 guests, Hotel Bristol – Vienna’s top event location – can fulfil your every wish.

CHARM & SERVICE

The concierge team, awarded 3 Clefs d’Or, the highest distinction for service, caters to your individual needs around the clock. Reserving a table at one of the city’s best restaurants, insider tips or coveted tickets to cultural events – we make the impossible possible!

SPORTS WITH A VIEW

The fitness studio – with a view – is unique and the athletic highlight of the hotel. There is no better way to start your day than with cross-training on the step machine and a glorious view of the Vienna State Opera.
