THE CITY OF LONDON'S MOST PRESTIGIOUS NEW DESTINATION WITHIN STEPS OF THE TOWER OF LONDON, TOWER BRIDGE AND THE RIVER THAMES

Four Seasons Hotel London at Ten Trinity Square celebrates its place within the capital’s rich history and culture, yet feels fully connected to the future. First opened in 1922, this Grade II\*-listed building is the former headquarters of the Port of London Authority. Original neo-classical interiors have been exquisitely restored, creating a seamless fusion with chic, modern design.

With approximately 595 m² (6,403 sq. ft.) of space for business meetings and special events, Four Seasons offers two ballrooms and three smaller function rooms, conveniently grouped on the first and second floors. Events can welcome up to 200 guests for receptions and 150 for seated dinners.

UN BALLROOM

The setting for the inaugural reception of the United Nations General Assembly in 1946, the UN Ballroom is a beautifully restored venue, enhancing every event with a rich sense of history. With eight-metre (26.2 ft.) ceilings, the room features Corinthian columns, walnut panelling and two magnificent crystal chandeliers. Large windows look out over the front entrance to the Tower of London, Tower Bridge and the River Thames.

MERCHANTS HALL

A one-of-a-kind circular ballroom, the Merchants Hall glows with natural light from its circumference of windows. Light oak panelling and antique mirrors add a sense of traditional warmth to this contemporary design. The venue is located in the heart of the building, sitting within the central courtyard.
