# Congress

The Congress is our biggest event space and can host up to 300 delegates.

The 18 m<sup>2</sup> stage makes this room ideal for larger seminars, exhibitions and fairs. The internal flexible wall allows the room to be divided into two areas that can be used for different purposes.

## Take a creative break

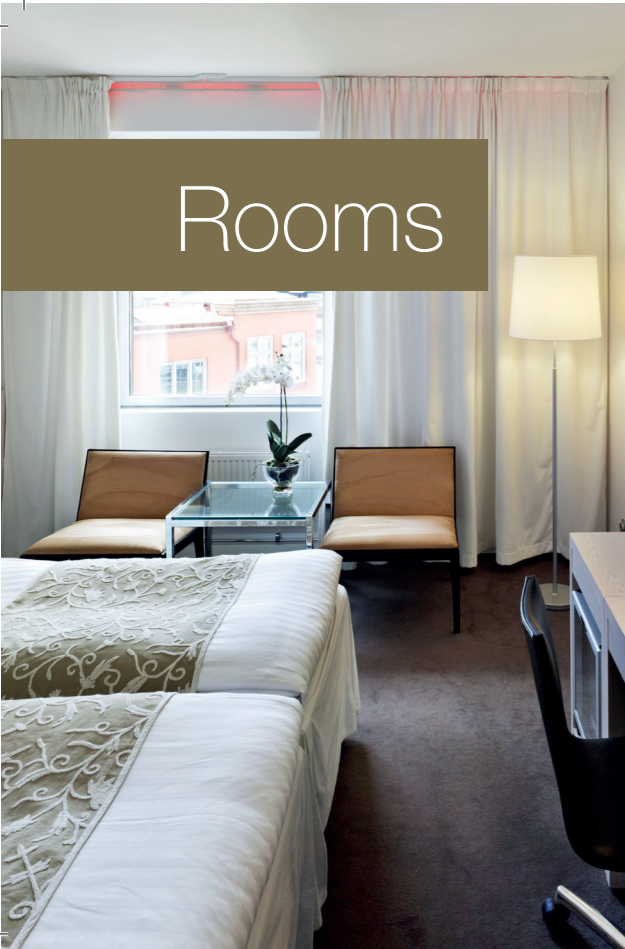

It is during coffee breaks that ideas emerge and contacts are made.

It is a moment for reflection of the day's content together with other participants which can lead to new exciting ideas and innovation.

We offer both morning and afternoon coffee breaks with various local seasonal treats either served outside the meeting room or in our restaurant Riverside.

In this bright and airy restaurant, we also cater for lunch and dinners for up to 300 seated guests.

A panoramic view of Gothenburg harbor at sunset. The sky is a mix of orange, pink, and blue. The water is calm, reflecting the colors of the sky. In the foreground, a glass of red wine is visible, slightly out of focus. The word "View" is written in white on a dark green rectangular background in the upper left corner.

# View

On the 12<sup>th</sup> floor with panoramic views over Gothenburg, you will find View Skybar & Restaurant. Enjoy one of our award-winning cocktails in the bar or our a la carte menu, with a spectacular view of the harbour.

We share a true passion for well-made food and high-quality ingredients are the foundation to every dish we make. Our kitchen draw their inspiration from their love of the Swedish west coast and combine local produce with international influences.

Welcome up to the 12th floor!
