Dear Car Lovers,

Tyrol's fascinating mountains offer you stunning panoramic roads, endless winding roads and magnificent viewing points. We have put together for you some of the most beautiful trips in the region. You can look forward to tour to the Zugspitze area and other regions in Germany and Austria that are really worth exploring.

After your trip you can indulge yourself in our Five-Star Superior hotel with excellent service, outstanding food and a spacious spa area. There are, of course, plenty of other facilities to cater for every possible leisure activity. You will be fascinated.

We look forward to your visit.

Your team at the Inter Alpen-Hotel Tyrol

P.S.: We are more than happy to give you all the necessary information required about our Cabrio Tours which take place every year.

Additional & general information

Motorway tolls may have to be paid on the tours, or you may need a 'Vignette' sticker. We would also like to make you aware that radar speed checks are sometimes carried out on the routes. The routes may also have to be changed at short notice due to road works. Before you set off and depending on the season, please check that the mountain pass roads are open. Should you have any technical problems, you can call the Austrian Automobile ÖAMTC "Gelbe Engel" service. A 24h emergency assistance can be acquired when dialing directly 120 without any other dialing code.

Should you want to have your car washed before or after your trip, the Inter Alpen-Hotel Tyrol team will be pleased to do this for you. There is a charge of just 35 Euro for an external car wash. Simply ask at the main reception area.

Our thanks for planning the tours go to
MTE Modern Tours & Events Munich / Marc Nädele
