#### INTERTOURS TRAVEL CONSULTING

Intertours Travel Consulting has been operating since 1980 and has established itself as a leading Destination Management Company in Madeira Island, Portugal. We are privileged to live in Madeira Island and eager to show its wonders to everyone. That is why our team is made out of highly skilled, creative professionals with a keen attention to detail and a passion for the land.

We provide personal assistance through an excellent team, who guarantee quality and speed in dealing with reservations for flights,

hotel accommodation, packages both simple and thematic, and tours (either regular or tailormade) for individual bookings and groups. Culture and sightseeing excursions all over the island are easily incorporated into all types of programmes. The small size of the island, yet high concentration of historical sites, is a valuable asset for tight schedules, transfers and rent-a-car.

Madeira's countryside is ideal for team-building activities: jeep safaris, photo rallies, treasure hunts, mountain and Levada walks, trekking,

canoeing, water sports, deep sea fishing, scuba diving, canyon, yachting, mountain biking, paragliding among many others. And although adrenaline pumping activities are a favourite among incentive planners we always look for inspiration on special moments in history, culture and tradition: folklore, wine tasting, rural and popular festivals.

On the other hand, walking in Funchal, roaming through its typical streets and alleys to enjoy our delicious food, to visit a museum or simply sit on terraces overlooking the blue sea or the lush green mountains... any of these simple things will add that extra pleasure to your trip.

Madeira is also a magical place with all the ingredients to provide unforgettable meetings, congresses, incentives and inspiring events. It is ideal for providing dynamic and transformative experiences for individuals and businesses, we can also offer retreats that inspire and transform and activities to nurture and care for your body, mind and spirit.

# OUR PERSONAL TOUCH LAND ACTIVITIES

#### **TREKKING / LEVADA WALKS**

Coming to Madeira and not going for a walk alongside a "levada" or on a mountain trail, is missing one of the most exciting experiences that a hiker can have! Cultural and environmental factors have made walking along levadas one of Madeira's most traditional and popular outdoor activities. Usually open and on the ground, some levadas are "torn" into the rocks in abysses which are hundreds of feet deep, while others cross mountains from north to south, through tunnels that are hundreds of meters long. There are more than 200 "levadas" surrounding the valleys and mountains, with a total of 3,000 km in the protected areas, including the Madeira Natural Park and the Funchal Ecological Park.

#### **TRAIL RUNNING**

For athletes who love nature it is almost obligatory to go Trail Running in Madeira, on paths and mountain trails of varied, irregular or slippery surfaces.

#### **MOUNTAIN BIKING**

Come and discover Madeira on wheels, riding an all-terrain bike or motorcycle along levadas, unpaved roads and obstacles in the island's forest!

#### **CANYONING**

Go canyoning and feel an incredible dose of adrenaline while exploring a stream and overcoming its obstacles using different techniques.

#### **GOLF**

The Madeira Archipelago has excellent courses that allow you to play golf in scenery that looks like paradise, painted with the green of the mountains and the blue of the sea that stretches to the horizon

#### **GEOCACHING**

Bring your GPS or Smartphone and go geocaching in Madeira, going through the fantastic trails and enjoying the amazing landscape that the archipelago has to offer!

#### **CLIMBING**

For the adventurous who do not suffer from vertigo, we suggest you go climbing on the amazing basaltic rock cliffs of the Island.

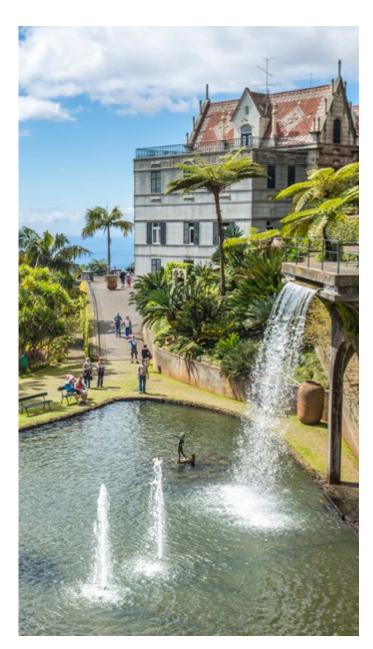

### OUR PERSONAL TOUCH SIGHTSEFING TOURS

Take a bus tour in Madeira and let yourself be guided by professionals in a calm and relaxing ride in search of the most beautiful landscapes of the archipelago:

#### EIRA DO SERRADO / NUN'S VALLEY

One of the most popular tours in Madeira, visit the 'heart' of the island and enjoy the amazing views!

This tour will take you to beautiful viewpoints and amazing views inside the island. The first stop on the tour is at Pico dos Barcelos, where you can admire a wonderful panoramic view over Funchal Bay and the city area, then we will take the old narrow road through the eucalyptus forest until Eira do Serrado. On this viewpoint (1094m.) you will have spectacular views overlooking the valley of Curral das Freiras surrounded by green, overwhelming mountains, from here you can also admire the tiny fields which grow fruit and vegetables, also sweet chestnut trees. We then head down in to the Village of Nuns Valley, a little village in the hearth of the island where you can taste the local chestnut liqueurs and cakes. The village was founded in the 16th century by the nuns of the convent of "Santa Clara" in Funchal, from where the nuns fled from pirate attacks in 1566

#### **MONTE / BOTANICAL GARDEN**

We will start with a visit to the Botanical Garden, one of the most beautiful gardens in the region, with marvellous views overlooking the city of Funchal. Discover this fascinating world of plants, trees and flowers, where you can admire about 3.000 species, some endemic and some imported from all over the world. Our journey continues to Monte - village in the suburbs of Funchal, visit the Parish church, the beautiful gardens, and if you are brave take an exciting ride down to Funchal (until Livramento) on the famous wicker basket - toboggan -, a traditional transport originated in the early 19th century (this is optional and not included in price).

## OUR PERSONAL TOUCH SIGHTSEEING TOURS

### EASTERN ISLAND TOUR: PICO AREEIRO/SANTANA

Explore the eastern side of Madeira, breath taking views, enchanting laurissilva forest and traditional villages!

The journey starts at Funchal, then we make our way to Camacha, famous for its beautiful wicker works, and stop to have a look around, visit the factory where you can see artisans working and purchase articles from a wide collection available. Next, we will take a scenic drive through Laurissilva forest up to Poiso and Pico do Areeiro - It is the third highest peak in Madeira, 1818m above the sea level. As we climb the mountain there are spectacular views, if the weather permits you will see cotton wool clouds hang in the valleys. The tour will continue along the enchanted Laurissilva forest until Ribeiro Frio, Natural Park where you can have a look around the trout hatchery. On the way to Santana, admire the greens of the terraced fields and the local farmers. In Santana, beautiful village on the north of the Island, you can visit the famous small thatched triangular houses. Driving down to the north coast we will stop at Portela viewpoint at 670m from where you can see

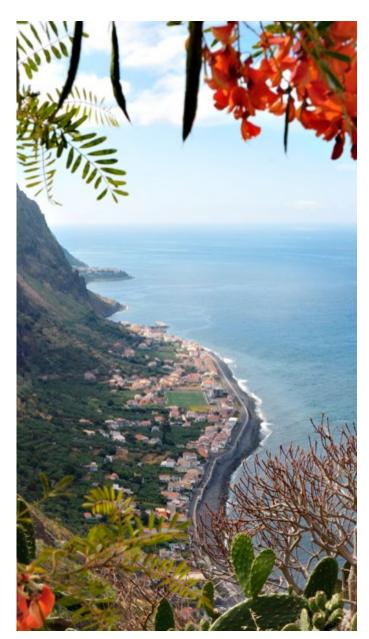

the impressive rock formation of the Penha D'Águia. Next, we go in direction to Ponta de São Lourenço, enjoy the breath-taking scenery and wild landscape with amazing rock formations of the most eastern point of the island. Before return to Funchal, we will pass through Machico, the first place where Zarco and Tristão Vaz Teixeira landed when Madeira was discovered.

# OUR PERSONAL TOUCH SIGHTSEEING TOURS

#### **WESTERN ISLAND TOUR: PORTO MONIZ**

Prepare to be amazed by the natural beauty of the west coast of Madeira on this full day tour! On this tour, we will visit the typical fishing village of Câmara de Lobos, very well known for the fishing of black scabbardfish and for the typical drink Poncha. It is a picturesque location with colourful fishing boats, these charming views inspired Winston Churchill to paint his celebrated pictures of the region. On the way to the small town of Ribeira Brava, we will stop at Cabo Girão, one of the highest sea cliffs in Europe at 580m. Be brave and walk along the glass floor skywalk extending out over the top of the cliff and admire the amazing views. The journey will continue to Encumeada - this viewpoint offers a superb view from both sides of the island (north and south) can be seen at the same time (if the weather permits). On the way to Porto Moniz we will take the road along Paul da Serra - the largest and most extensive plateau of the island at 1400m above the sea - enjoy the green landscape of mountains and valleys. Next stop at Porto Moniz – located in the north of the island, town well-known for its natural swimming pools formed from volcanic rocks. On the way, discover one of the most beautiful points of the north coast: a road built on the rocks by the sea where we can admire the astonishing waterfalls. Return to Funchal passing by Seixal and São Vicente.

#### SOUTHWEST ISLAND TOUR: CALHETA / PONTA DE PARGO

Discover the sunniest side of Madeira Island! Charming villages by the sea and enchanting landscapes!

This tour will take you to the sunniest side of the Island, the southwest coast of Madeira. After picking you up, the first stop will be at Ponta de Sol, a charming village by the seaside. Ponta do Sol owes its name to the presence of an edge of rock that goes into the sea, and which reflects the sun's rays. We will continue the journey until the viewpoint Moledos, enjoy the amazing views over Madalena do Mar. We continue the tour to Calheta, a town with beautiful scenery and one of the few sand beaches in Madeira, here you can also find one of the sugar cane mills of the island. Next stop is at the charming village Prazeres, a small town surrounded by lush mountains and green valleys. The journey continues to Ponta do Pargo, beautiful town located in the very west end of the island and known for its lighthouse on the edge of the cliffs, 312mts (984 ft) above the sea. Afterwards, visit Paúl do Mar and Jardim do Mar – two neighbouring quaint fishing villages well known for excellent surfing conditions and the most incredible sunsets. Madalena do Mar traditional fishing village, with a beautiful promenade along the pebbled beach. Return to Funchal.
