## BACKGROUND

Word on the Street is a UK based Destination Management Company (DMC) that creates dynamic events and programmes throughout the UK.

We love to share the passion we have for the UK delivering tailored proposals that incorporate the unique culture and history of the country.

## EXPERIENCE

Word on the Street offers unrivalled expertise, harnessing over 30 years' industry knowledge working with some of the world's leading suppliers at a wide variety of iconic and unique locations.

We have a proven track record for delivering logistically complex and high profile events and are proud of our commitment to curating the perfect experience for you and your guests.

## WHAT WE DO

Many years spent working with the best suppliers has resulted in rock solid partnerships built on shared values.

## EVENT LEGACY

We believe that creating a positive impact and legacy with your activities is what sets us apart.

Our mission is to take inspiration from our clients to create events and programmes that make a difference and leave a positive impact both on the guests and on the local area.

## DON'T JUST TAKE OUR WORD FOR IT

“We view Word on the Street very much as partner rather than a supplier - they have taken the time to get to know our requirements and I would honestly struggle to work with anyone else now!”
