

Luxury villa in Provence

SUMMER 2020

A haven of peace

In the heart of Gordes, known as one of the most beautiful villages in France, is La Maison de Constance – a private villa overlooking the valley and the Luberon mountains. Located in the gardens of La Bastide, it offers the luxury of privacy and all the comfort and services of a deluxe hotel.

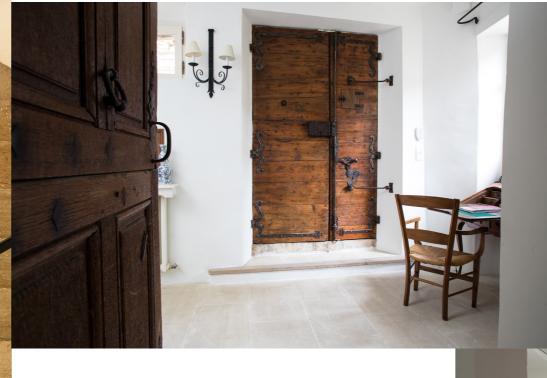

A Provençal sanctuary

With five bedrooms, a fully equipped kitchen, a living room and plenty of relaxation areas, La Maison de Constance offers luxury in an authentic and refined way. Spread out over several floors, bedrooms ensure all guests have their privacy and comfort, thanks to en-suite bathrooms.

Able to accommodate up to 10 people, this house is ideal for a family or friends wishing to have a wonderfully Provencal experience.

Rediscovering intimacy

With wonderful views of the valley, La Maison de Constance makes the most of its outdoor spaces. Its terraced gardens, shaded veranda and private swimming pool allow guests to enjoy their stay in complete tranquillity.

Far from everything and everyone, it ensures the stresses of daily life to go on hold, so guests can focus on spending time with their loved ones.

Unparalleled service

The villa not only has a private butler, but is also looked after by the team at the adjoining hotel. Guests can take full advantage of the Sisley Spa, the many restaurants and the amenities offered by the hotel. As neighbours, villa guests can enjoy all of La Bastide's services while benefiting from total independence.
