

## Our new ways of working to keep you safe

#### **Risk assessed**

Senior Cranfield staff have ensured that COVID-19 risk assessments and safety measures are in place for all on-site and off-site services.

All areas will be cleaned and sanitised before, after and throughout each session, using anti-viral spray.

### **Health & Safety comes first**

Our lecture rooms, syndicate rooms and public spaces are all arranged to accommodate social distancing guidance.

## **Avoiding** cross-contamination

Audio visual equipment, boards, flip charts and marker pens will be added at the start of each event. Pens and pencils will be sanitized but you are welcome to bring your own writing equipment.

# Our guest care crew know how to serve you safely

Our team members will observe social distance rules at all times when serving you. Pre-packed sandwiches and snacks may sometimes be the most appropriate option.

Cranfield colleagues' working patterns and breaks have been staggered to avoid congregation.

### What you can do to help

Internal and external signage is there to remind all visitors of social distancing.
Please follow the one-way systems and observe marker signs if queuing is necessary.
