alcaguete®
sabe mejor al compartir

Healthy Snacks to share

For each Snack sold, a healthy snack is delivered to a child who needs it. Alcaguete Snacks taste delicious and are also healthy.

Magic that breaks boundaries

Young people in vulnerable conditions find in magic a way not to fall into bad habits. They share with others their abilities with small magic shows that transcend moments.

Peasant builders of Peace

They are farmers who exchanged crops of coca for cocoa and today they produce a quality product that tells stories.

OUR PROGRAM OF ENVIRONMENTAL CONSERVATION

Consolidate your visit to Colombia by planting an endemic tree in an area of conservation. Thus, helping to preserve ecosystems as well as water sources that sustain agriculture and contributes to mitigating climate change. A tour package turns into:

1. The planting of an endemic tree
2. Monitoring of the tree and 10 m² of the ecosystem.
3. Support for reforestation and conservation of endemic ecosystem and water sources.
