# CREATING AN EFFECTIVE WORKING ENVIRONMENT

**Our stylish retreat located just one mile from the A1 north of Grantham offers some of the best conference facilities in the East Midlands.**

With three conference suites and additional meeting rooms we can cater for both large and small groups accommodating up to 300 delegates in theatre style, in the Allington Suite alone.

We have designed our conference packages to meet the needs of the business market.

However, we appreciate your requirements may be different to our standard packages and can therefore design a package to suit your needs. To make life just that little bit simpler, our 8 and 24 hour delegate packs include room hire and standard equipment.

One of our conference co-ordinators will work with you from your initial enquiry, through to your conference/meeting to ensure your requirements are met and your conference is a resounding success.

The charm of The Olde Barn Hotel and its perfect country location create an effective environment that helps you achieve the results you are looking for.

In addition to conferences we can cater for:

- The Office Christmas Party
- Your Staff Summer Barbeque
- Exhilarating, team building corporate days

We want your stay with us to be an enjoyable one. With 103 bedrooms, excellent food served in the atmospheric Barn Restaurant plus our state of the art Health Club, you can relax after that busy conference.

We look forward to welcoming you and hosting your event
