Adam Smith said that the best result is when each member of the group does what's best for themselves, right?

Incomplete. Incomplete! Because the best result is when each member of the group does what is best for themselves, and for the group!

- *A beautiful Mind*

Covid-19 Procedures

- We implemented the new floor plans in respect of the social distancing and **overcrowding measures** that foresee 1 person each 5 sqm.
- **Dedicated Staff** will monitor staggered entrance flow in the Venue while respecting the social distancing and measure the body temperature on site
- The Light Space is equipped with UTA for a **complete air renewal indoor/outdoor**, the filters are sanitized regularly
- In all the Spaces, **signs** were placed to respect the distances
- During the activity, we guarantee the cleaning service for the sensible areas by uniquely using **MSG Products** (Medical-Surgical garrison)
- **Sanitary kits** (disposable masks, gloves and hand-gel) can be distributed
- **Disinfection and Sanitization** happen in all the Spaces at the end of any activity

The Venue keeps moving and changes to adopt new ideas and trends, our staff is ready to welcome you!

Customer Testimonials

Fantastic venue with top-notch professionalism of its staff. The home-like vibe and facilities are very adaptable. We would really love to cooperate with 10 Watt again on organizing another media gathering. Thanks everyone, for your kind help.

The team did an amazing job to accommodate our event. They were flexible and on top of things. A great place that offers loads of possibilities with an excellent service.

The venue offers an unique and impressive atmosphere in case of design. Our guests were very impressed! But especially the effort of the 10 Watt team, as well the very professional service and friendly contact is worth mentioning.
