Facilities and services

San Clemente Palace Kempinski is uniquely situated on a private island in Venice. The luxurious Venetian resort offers an unparalleled combination of indoor and outdoor venues for any occasions, from business meetings and conferences to events and parties alike. A destination in itself, San Clemente Island provides exceptional facilities and amenities surrounded by lavish gardens and parks. The Kempinski renowned, outstanding service combines with the island's enchanting Italian dolce vita atmospheres and the superb views of Venice and its lagoon, setting the stage for a truly remarkable experience.
