

ST MARTINS LANE  
LONDON

LOCATED IN THE BUSTLING THEATRE DISTRICT IN LONDON'S COVENT GARDEN, ST MARTINS LANE LONDON IS A DRAMATIC AND DARING EVOLUTION ON ENGLISH LUXURY. THIS BOUTIQUE HOTEL RETAINS ALL THE YOUTHFUL, UNEXPECTED CHARM OF A LONDON HIDEAWAY, AT THE VERY HEART OF THE ENERGETIC WEST END.

## ROOMS & SUITES

Floor-to-ceiling windows pull the cityscape into each guest room, offering a dramatic perspective on the energetic city below. The rooms by Tim Andreas of Banjo evoke a sense of spaciousness and luxury by using a mix of both naturally inspired and modern materials.

## PUBLIC SPACES

Situated just off the lobby, The Den is the perfect place to enjoy our All-Day Dining menu, Afternoon Tea, or sip on a Gin & Tonic. Step into gourmet eatery EllaMia London for a perfect coffee and sweet treat. As day turns to night, seek innovative cocktails behind the façade of a boutique tea counter in Blind Spot London.

## THE DEN

Situated just off the lobby, The Den is a decompression zone for you to sit back and unwind in. The décor is warm and sophisticated with a tongue-in-cheek British flair – even the art on the walls is irreverent, animating the space with larger-than-life portraits and visual puns.

## ELLAMIA LONDON

A sophisticated and modern coffee brand that transcends the ordinary by bringing a slice of Los Angeles' craft coffee culture to London. From savoury snacks to sweet treats, EllaMia London allows you to indulge your sweet tooth in a sophisticated craft coffee shop.

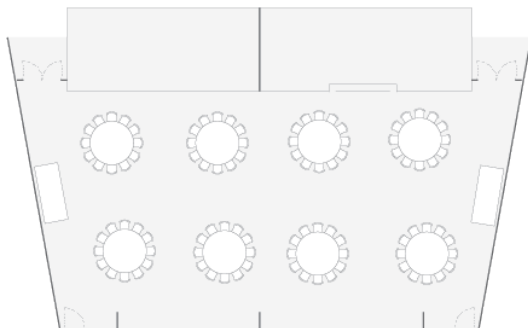

## BLIND SPOT LONDON

Set behind the façade of a boutique tea counter and a secret golden hand-shaped handle is Blind Spot London, a late-night speakeasy that offers guests bespoke and signature cocktails bursting with flavours influenced by the British Empire and its ancient tea trade.

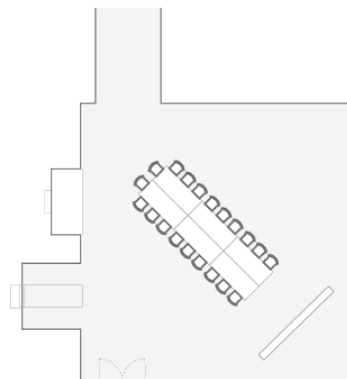

# MEETINGS

St Martins Lane London offers a wide range of spaces for meetings and events which feature audiovisual and telecommunications equipment, production, wardrobe, makeup and casting rooms, as well as private conference facilities. The hotel also offers a number of spaces suitable for virtual hybrid events.
