

NORDIC CHOICE HOTELS™

200 hotels in more  
than 100 destinations

25 new hotel projects

We don't believe in a standard hotel, because there is no standard guest. Our guests have different needs and desires when they travel.

**WE GIVE THEM OPTIONS.**

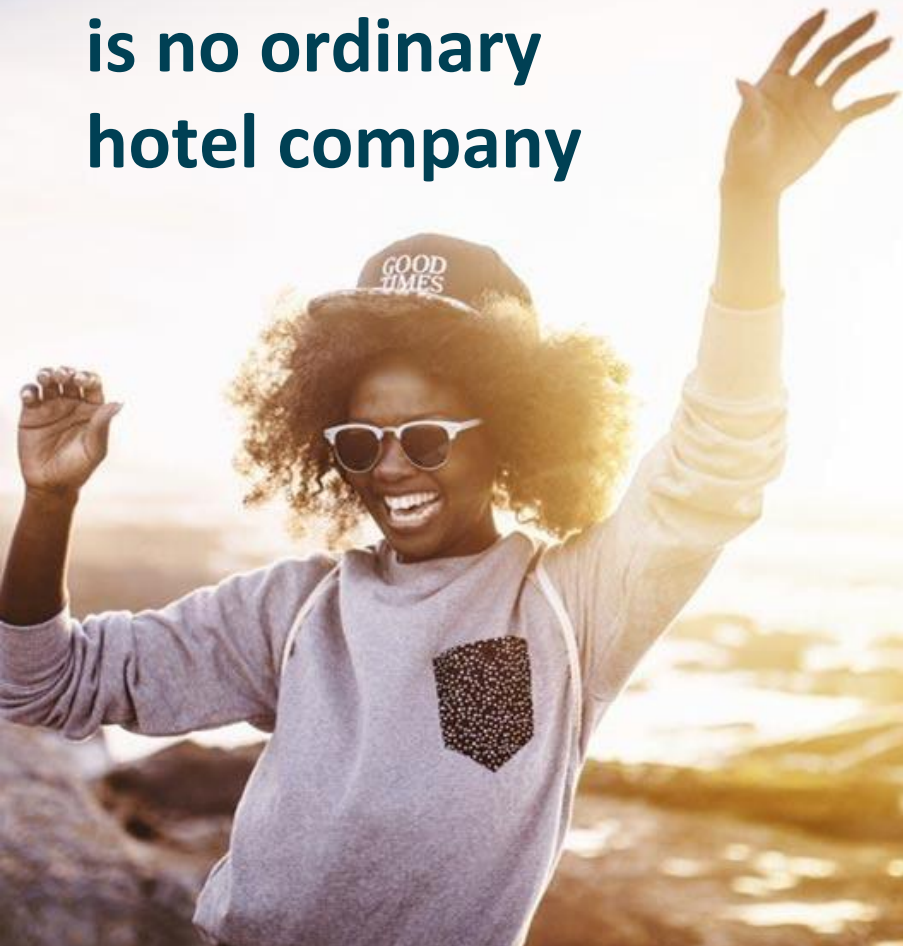

Common to everything we do at Nordic Choice Hotels is the will to do more than what is expected of us – for our guests, for our people, for society, and for the environment. **WeCare.**

The sum of what we do creates a more **SUSTAINABLE HOTEL COMPANY**, enabling us to contribute to a more sustainable society.

# Nordic Choice Hotels is no ordinary hotel company

An operational and franchise company established in Norway in 1990.

194 hotels in Scandinavia and the Baltics.

Part of Choice Hotels International, The world's sixth-largest hotel chain with more than 6,800 hotels in over 35 countries.

More than 1.2 million children  
around the world are affected  
by human trafficking.

What if it was your child?

SWEET  
DREAMS.

The image shows a contemporary living space. On the left, a vibrant green modular sofa with several cushions is arranged in a semi-circle. To its right, a matching green ottoman sits on a large, light grey circular rug. The floor is decorated with a bold geometric pattern of white, grey, and green tiles. The text 'THE REBORN SKT. PETRI' is overlaid in white on the left side of the image.

## LIGHT MEETINGS

Light Meetings is an original and stylish business venue at Nordic Light Hotel, located only steps from the Central Station and the airport express. All meals are served by Lykke & Løjromsbaren, our in-house restaurant with a strong personality and a true passion for food, wine and people. When you book a meeting with us, you can rest assured that we'll make everything as easy as possible for you. Our technology is cutting-edge, but it's always simple to use. You can easily customize your space by changing the light and color to set a mood – pick red for energy and blue for stillness. Our friendly, professional business hosts are present and make sure everything runs smoothly behind the scenes.
