Historic Legacy

The Transformation: The Intention

Nothing more and nothing less than to give Cambridge a hotel that matches the city's heart and style – ambitious, beautiful and full of life.

Central Location

University Arms, Cambridge is situated the heart of Cambridge set amongst historic colleges, a diverse range of restaurants and attractions and is an easy 10-minute walk from Cambridge Central Train Station.

The Bedrooms

University Arms Cambridge, re-created in 2018 by architect John Simpson and interior designer Martin Brudnizki, offers **192 rooms** and suites across four floors, with views over Parker's Piece, historic Regent Street, and the hotel's inner courtyard. The style is undeniably British. Classic Edwardian interiors are combined with bespoke, leather-padded writing desks, low ottomans and tiered chandeliers in playful colours and rooms full of natural light. The result is ambitious, beautiful, and full of life.

Seasonal Menu

Parker's Tavern marks a homecoming. A return to good, unpretentious British cooking. No fuss. No froth.

Just fresh, honest ingredients, locally sourced and put together on a simple plate. A knife, fork and spoon. Conjured by a spectacular chef.

BREAKFAST

A good breakfast is the jewel in the crown of classic British feasting: smoked bacon, free range eggs, roasted heirloom tomatoes...

LUNCH

Go light with a fresh soup, garden salad or something from the sandwich board, or all out with a three-course feast.

DINNER

Dinner at Parker's is an essential Cambridge experience: classic British ingredients delivered with a dash of whimsy.

AFTERNOON TEA

Books and great dining have a long history in Cambridge. Our afternoon tea menu takes inspiration from the city's great wordsmiths.

DRINKS MENU

A vintage cellar, put together with knowledge and good taste, to this is added modern mixology, grounded in Cambridge mythology.

A QUINTESSENTIALLY BRITISH BRASSERIE CELEBRATING FEASTING AT ITS BEST

The Ballroom

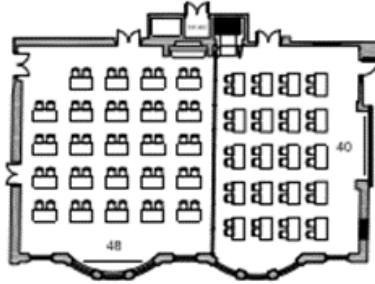

The 272 sq. m. ballroom features floor-to-ceiling windows, wood-panelled walls and high ceilings, giving the room a plush yet airy feel. The history and former glory of University Arms is celebrated as the original stained glass windows, elegant and oversized fireplace and the sprung dance floor has been incorporated into the new space. It is designed for parties, weddings and large events, seating 180 guests or up to 200 standing. The room can be sectioned off into two so it is ideal for events of varying sizes.

The ballroom foyer is private and cosy. It is an ideal location for a pre-function reception or registration.
