A surreal landscape featuring floating islands in a blue sky with white clouds. On the left, a large, grey, rocky island floats, topped with a red brick tower that has a flag on top. A hot air balloon is visible in the upper right. In the lower right, a large, colorful, winged creature is flying. The background shows a valley with green hills and mountains. The overall scene is fantastical and dreamlike.

Vilnius:  
amazing  
wherever  
you think  
it is
