Facts

OM DMC Greece – Cyprus was created in 1989. OM DMC is well established in the MICE industry as a successful high-end DMC and VIP agency operating in Greece, the Greek Islands and Cyprus. Its strength was always its reputation for reliability and integrity, reinforced by a creative and detailed response to any query. The mentality and culture of the company is geared around customer satisfaction and personalized service, taking into consideration that no matter the size of any event, it is treated in the same way and respect. The MICE sector is a demanding industry that leaves no room for mistakes and the delivery of excellent events leads to greater results for all.

OMDMC was always driven by the vision of being one step ahead, foreseeing the future and adapting to the everchanging trends of the very competitive MICE industry. In its 29 years of operation the company offered services in Greece and Cyprus, becoming by 2008-2009 one of the leading agencies in both countries, with a network reaching over 3500 companies around the world.

The confidence which many leading agencies have shown in OMDMC, year after year, has been the real launching pad towards a more ambitious company structure. The Partners' convictions are based on unsurpassed attention to detail, coupled with individuality, creativity and innovation.

Testimonials

"Our event was a huge success and there is no doubt that this is due to your efforts and that of OM Destination. The old saying is true... we could not have done it without you. Thank you for everything... but most especially for putting the team event together; coordinating 20 jeeps of 140 people in five different directions, all the while making sure they are having a great time from beginning to end, is no small feat!!!"
Tim Ball, Managing Director, Impactt

"Stavros Kleovoulou and his team are true event professionals and their local knowledge, expertise, meticulous approach, attention to detail, negotiation skills and buying power with local suppliers have always greatly contributed to the overall success of all our events. In addition to their professional skills, the OM team has always demonstrated a genuine commitment to the projects and took care of all arrangements to the perfection. Therefore, we would not consider working with any other business partner in Cyprus or Greece."
Marc Deby, CEO, dermarc GmbH

Testimonials

"Just a short note to thank you and the OM Team for the effort put towards making the recent Event such a success. It was a pleasure working with the Operations Team on-site; their professional and flexible organization of the offsite events and services was very much appreciated and contributed greatly to the smooth running and success of the conference."
Gillian McDonald, Head of Operations, Concerto Live

"OM have always operated in a particularly imaginative, proactive, cost effective and thoroughly efficient manner. Their attention to detail is consistently exemplary. Stavros and his colleagues are a pleasure to work with and rise to any challenge. They consistently exceed expectations and we would therefore not consider working with any other partner in Cyprus or Greece. I have no hesitation whatsoever in recommending OM DMC Limited however complex and demanding the project may be."
Ian Dunwoody, CEO, Travel Management Group PLC

Testimonials

"For us it is very important that the DMC is dedicated to its work with the same enthusiasm and engagement like we do, and that you can understand and feel our specific requests. We consider that we have found this with OM and are very pleased to cooperate with you!"
Shaun Casey, Operations Director, BI Worldwide

"The professionalism and knowledge of the OM team really shone through for us. It gives both us here at Clive, and the client, great confidence in the service you will deliver us in Mykonos and your recommendations which is worth so much in this industry given how quickly things can change on the ground post a site visit when the event is still 8 months away."
Lee Mills, Senior Account Manager, Clive UK
