GODDARD & GIBBS

Simply British Seafood

Inspired by England's fishing villages and popular seaside towns, Goddard & Gibbs is a bright, all day space specialising in British seafood with a focus on ethical sourcing and using local suppliers.

Whether dropping in for fish and chips throughout the day or catching up with friends at dinner, G&G is Shoreditch's newest, casual spot for seafood.

The Wine Bar, overlooking the high street, is a easy space to wind down the day or raise a glass during special

moments with friends. The wines represent a mix of modern, forward thinking producers sitting alongside more celebrated regions, complemented by a careful selection of light snacks.

The take-out Hatch is a playful addition to Shoreditch High Street, offering a fun way to order seafood and snacks to enjoy on the go.

Goddard & Gibbs is open daily for breakfast, lunch and dinner.

SEED LIBRARY

Down in the basement, you'll find a cocktail bar created by the award-winning Mr Lyan. It's a laid back bar in the heart of Shoreditch where you wind down from a long day, or spend a fun filled evening with good drinks and good people.

The drinks focus on a more 'lo-fi, analogue' approach to cocktail making with a stripped back approach inspired

by the origins of classic cocktails and the stories and knowledge held within alternative flavour sources. Alongside the short, frequently changing list of cocktails featuring new takes on classic mixed drinks, the bar also serves a beautifully created list of low-intervention wines alongside a diverse range of beers from craft brewers.

Shoreditch's Garden

With pink marble tables, lush foliage and panoramic views of East London, The Rooftop feels like a private garden in the heart of Shoreditch.

The drinks menu offers carefully chosen Champagnes and sparkling wines alongside light, bright cocktails and spritzes, ideal to sip as you relax, unwind and enjoy the

views, vibe and company. Food and snacks are gentle twists on the familiar, taking gentle inspiration from British Summertime picnics.

The Rooftop can be privately booked for events offering a unique East London venue for your next gathering or celebration.
