RESPECT

Get ready to be an active participant, join the debate and share information openly with your peers.

EMBRACE

We are meat free and proud - if only for 2 days let's do our bit to mitigate climate change and global inequality.

SHOUT

Tell the World about micebook Ventures! Spread the love for embracing harder rights over easier wrongs and move towards putting a Net Positive model front and centre of all your company does and stands for. **Enjoy It.**

COMMIT

Please be respectful to your industry peers and attend all your meetings.
