

CARLTON CANNES, A REGENT HOTEL

The Carlton Cannes is in the heart of the Croisette, a few steps from the Palais des Festivals, in a surrounding landscape between sea and mountains. Cannes is an authentic destination and we want you to share this unique experience. To help you discover the cultural and gastronomic diversity of our beautiful region, and to answer all your questions, our Project Managers can help you.

| **332 rooms & suites**

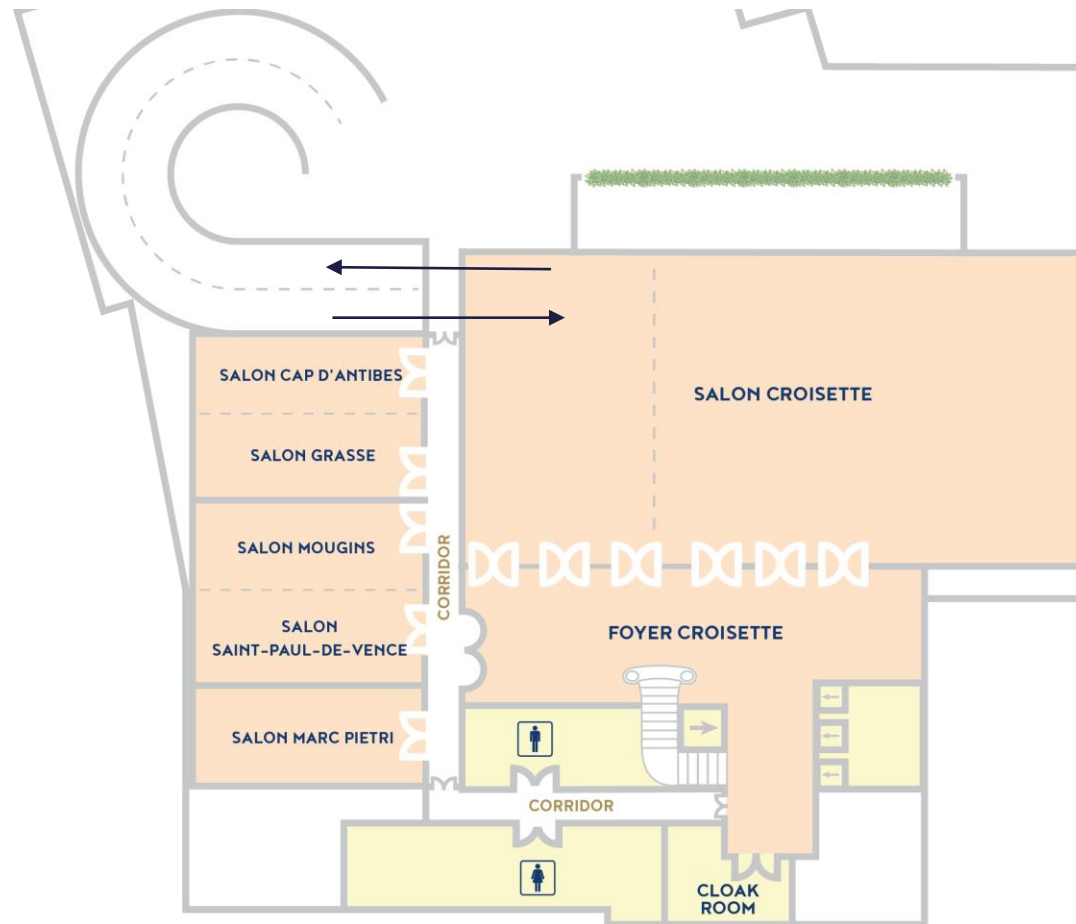

| **37 residences**

The revival of the Carlton Cannes has come. This ambitious renovation and extension project scheduled to end in spring 2023 will preserve the Belle époque soul of the hotel while bringing modern design elements. Interior designer Tristan Auer has been entrusted to orchestrate this marvellous refurbishment. Infusing true Carlton style, the hotel will harmoniously blend heritage and luxury to create a modern day masterpiece.
