

## CARLTON CANNES

At the 58 boulevard de la Croisette, the Carlton Cannes is preparing for its rebirth. In all its glory, the jewel of the French Riviera opens a new chapter in its history. The hotel has not experienced such a transformation since its opening in 1913. Now, 109 years after opening, the "Grande Dame" enters a new century and maintains its entire renovation and extension project, with a reopening scheduled in 2023. Nothing is more beautiful than those moments of imagination before the journey, the instant when it bodes tomorrow's horizon. Life at the Carlton Cannes begins anew yet is as sublime as ever.
