Choosing the Agafay desert for your event ensures that your guests will leave Morocco with memorable experiences. The stunning and serene beauty of the Agafay desert provides the perfect setting to celebrate personal achievements or bring together business leaders for an extraordinary team building experience.

We can accommodate up to 210 people and organize your team building day, seminar, workshop, birthday, pre or post-wedding stay or dinner, wedding, dinner, or lunch. It is also possible to privatize Les Terrasses d'Agafay, allowing you to imagine your own private retreat and customize every detail of every event, from your group's meals to activities and a glamorous gala evening.

OUR TENTS

With our 50 explorer tents of 25 square meters, Les Terrasses d'Agafay offer all the necessary comfort for a magical stay close to nature.

Expect the same amenities and facilities that you would find in a first-class hotel. Each tent is simply decorated with a touch of explorer decor and a color palette inspired by the desert dunes.

Enjoy air conditioning throughout the tent, a king-size bed, and a fully equipped bathroom with separate toilet, electricity, and signature Les Sens de Marrakech toiletries. The maximum capacity of each tent is 2 people.

The image shows the interior of a rustic restaurant. The ceiling is made of a thick, woven thatch supported by wooden beams. The walls are constructed from corrugated metal sheets, some of which are decorated with circular woven straw art. A large, conical woven basket hangs from the ceiling. The floor is made of dirt. In the foreground, there are long wooden tables with woven stools. The tables are set with white plates, glasses, and napkins. In the background, there are more tables and a view of a desert landscape with trees under a clear sky.

ACTIVITES & TEAM BUILDING

For your corporate seminars, we will find the team building activity that meets your expectations:

- **TEAM BUILDING AND CHALLENGE:** The group is divided into several parts with activities that everyone must do such as quad biking, camel riding, mountain biking, and the SECRET OF MOROCCO workshop in the form of a team building activity with a quiz on local customs and traditions.
- **KOH LANTA:** Inspired by the famous TV show, teams compete in challenges, create alliances, and work towards the grand finale.
- **DESERT SPORTS:** Pétanque, tennis, archery, chamboule tout, dodgeball, bowling, and FOOT GOLF on 3 holes.
- **SELF-DRIVE IN THE DESERT:** Departure from Marrakech in a 4X4 without drivers (client drives) with a maximum of 4 passengers. Road book from Marrakech with a loop through the Atlas Mountains on wonderful tracks to discover Berber villages and local traditions. Arrival in the Agafay desert on the tracks of the black desert and the great open spaces.

This formula can be combined with team building activities (challenges at control points), a lunch at a local's home. The road book can be long or short. The trip is supervised by guide cars and mandatory control points to ensure safety and smooth running of things. Other team building proposals are possible upon request.

WORKSHOP SECRETS OF MOROCCO

Looking for a different activity? We have created a workshop that allows you to discover the many facets of Morocco and its traditions.

Through various workshops, you will discover the secrets and spices of Moroccan cuisine, how to make delicious mint tea, the beauty secrets of Moroccan women, how to make a carpet, how to produce argan oil, the Damassine rose water from Kelaa M'Gouna, I am a Sahrawi (the traditional clothing of the blue men of the desert with a dromedary and its saddle).

These various workshops will be explained by a guide so that you can understand all the subtleties of these traditions. Morocco is a country rich in ancestral know-how and this workshop offers a nice approach to discover it.

ANIMATION

Customize your evening and give it a special touch that reflects your style: oriental dancer, fire breather, fire lettering with the letters of your company, local music with gnaouas, haouach or dakka marrakchia, henna tattoo artist, traditional bread making, and more.

We can create a tailor-made evening for you with special jungle or adventure-themed decorations, floral arrangements, a starry sky candle carpet, and more. Your imagination is the only limit, and we can make it happen.
