About **Us**

Forum d'Ideias is a creative agency specialized in corporate events, incentives, scientific symposia, international conferences and meetings in the fields of Professional Conference Management, Event Management, Destination Management and Venue Finding Solutions.

With over 20 years of proficient experience and depth knowledge of the MICE area, it is the mission of Forum d'Ideias to provide our customers, in total transparency, with top quality services. Through effective listening, we support them throughout the process, to meet deadlines based on a superior industry and destination knowledge, to promote relationships and shared knowledge through memorable events and experiences.

Our core values are integrity, responsibility and discipline, resilience and a genuine enthusiasm by what we do and with whom we work.

We have reinforced our commitment to Environmental, Social, Governance (ESG) by adding Sustainability as a core value, embracing the Travelife Initiative.
