ESG GOLD TOURISM

Nobu Hotel London Shoreditch is actively working to become more sustainable and is involved with the Green Tourism certification programme to promote a greener, cleaner environment, for people, places, and our planet.

The internationally respected accreditation programme of Bronze, Silver, and Gold awards is acknowledged worldwide as an indicator of good environmentally-friendly practice and a great way of progressing on a green journey.

We want acting responsibly to become second nature and becoming a member of Green Tourism is a brilliant first step to getting greener.

NOBU HOTEL LONDON SHOREDITCH CARES

ENVIRONMENTAL

We are committed to reducing our environmental impact and we will do this by using eco-friendly products, reducing our waste where we can, and promoting green travel to our guests.

SOCIAL

We are committed to providing an inclusive and welcoming environment for all our team members and guests.

GOVERNANCE

We are committed to promoting transparency and integrity in all our operations and activities. We are on a constant mission to tweak and tune our processes, all in line with our ESG promises and staying true to our values.
